

Mental health support at no extra cost

Learn about the care options available with your EAP

If you or a loved one need support for coping with life, reducing stress, or living with a mental health issue, you are not alone. Your Employee Assistance Program (EAP) offers work and life support at no extra cost. Each member of your household can have 8 visits with an EAP counselor per issue, per year. Asking for help can be the hardest part. The information below details the resources available to you, including how to reach out when you're ready.
